Rosemary Lane Nursery School

Summer Term 2019 Newsletter

Welcome to the Summer term at Nursery. We look forward to enjoying sunny days outdoors in the nursery gardens. Please make sure to **send a sunhat and put suncream on your child before dropping them off** at nursery, we are outdoors everyday.

Thank you to everyone who helped to raise a fantastic £170 on the Easter chocolate raffle. The monies raised have been used to pay for the Easter Eggs and parties. Any additional funds will go to buying sunhats for nursery.

This term we will invite you to join your child's group to help them complete a sponsored obstacle course in the nursery. This will raise money to pay for all the children to go to South Shields on 18th July. Sponsor forms will be sent home in the coming weeks.

The children will be looking closely at growth and lifecycles this term. We will be observing changes first hand in the nursery garden and sharing in the wonders of frog spawn, caterpillars and hatching chicks.

We will be having a Gardening Day on 16th May for all parents, grandparents and children to help prepare the garden for the summer. We ask for donations of seeds, plants, compost, pots etc. It is a lovely opportunity to come along and work with your child. You do not need to have any gardening skills, just a willingness to help.

After half term we will be developing the use of our reclaimed model area. Dads, granddads, uncles are all invited to join us in nursery on 20 June for *Builder Buddy day*. On this day the nursery is transformed with model making materials for the children to explore with their adult.

Parent consultations will be throughout the week beginning 8th July. Please book a time with your child's key person prior to this.

During the final week of term there will be a 'Leavers Celebration' event for all the children who are moving on to Primary School and their parents. This will give us an opportunity to congratulate all the children on all their hard work and achievements during their time at Rosemary Lane. There will be opportunities for photographs so bring your cameras.

As usual all the dates for the term are included in the calendar attached. As each event grows closer you will receive a letter with more information on times etc. For parents of children returning in September there are some dates for transition back to nursery included too.

Many thanks go to our team of volunteers who give up their time to come into Nursery to help. **Particular thanks go to June, Jenny and Natalie who have been a tremendous support to the nursery all year.** If you are free we would really appreciate some help with activity packs and reading to the children.

A few polite reminders

- Please name all items of clothing including hats and shoes.
- Please bring a coat to nursery everyday. We have an open door policy so children go outside everyday.
- Snack money should be paid to your child's Key person. (£2 for 15hour children and funded blue teddies, £2.50 for 30hour children)
- Please be considerate of residents when parking at drop off and pick up time. (Police advice—do not mount the curb as this obstructs the paths, do not park in front of the dropped curb as this obstructs access)

Thank you for all your support.

Kind Regards

The Nursery Team

Please note:

Nursery will be closed for a staff training day on Wednesday 19th June.
School photograph day—Tuesday 7th and Wednesday 8th May.
