

Admissions Policy - Allocating a Place

The LA has adopted principles in relation to the admission of children into Community, Voluntary Aided and Controlled nursery schools and units. For Roman Catholic and Church of England Voluntary Aided Schools the admission of children is a matter for the school governors. However, almost all Aided Schools follow the LA's criteria for admission.

Places are allocated according to the criteria listed below:

Children In Need

The Children Act 1989 defines a child 'in need' as:

- a) He/she is unlikely to achieve or maintain, or to have the opportunity of achieving or maintaining, a reasonable standard of health or development without the provision of services by the Local Authority under Part 3 of the Act.
- b) His/her health or development is likely to be significantly impaired, or further impaired, without the provision for him/her of such services.
- c) He/she is disabled.

In addition, Durham County Council has determined that children of families where English is not the main language of the family will be considered under this criterion.

A maximum of two part-time nursery places are retained until the end of the Autumn half term in order to accommodate emergency referrals of children "in need" as defined in the requirements of the Children Act, 1989.

Children Transferring from One Nursery Setting to Another

Once a child has begun attending a particular nursery school/unit, it is usually in the child's best interest to remain at that nursery school/unit until transfer to the next phase of their education. However, where parents move house, for example, it may be impractical to remain at the same setting.

There may also be other exceptional reasons as to why a transfer from one Maintained Nursery School or Unit to another would be appropriate, but this would be rare and subject to the agreement of the school following guidance from the Local Authority. Where possible nursery schools/units will aim to provide for children who have already started Early Years Provision.

Two Year Old Free Entitlement

Where a child has been accessing the free entitlement for 2 year olds in day care that is directly associated with a maintained nursery school or unit, for a minimum of 15 hours per week for two terms immediately prior to the child becoming eligible for free entitlement, they shall receive priority for admission to that maintained nursery school or unit in order to preserve continuity, providing that they also live within County Durham's administrative area.

Age

The offer of a place will be prioritised according to date of birth. Normally, the earliest date your child can be accepted for Early Years Provision is at the age of 3, although some 2

year olds can access the free entitlement. Where applicants have the same date of birth, priority will be given to the earliest date of application.

Children Living in Other Authorities

Although there are no catchment areas for places, preference will be given to children whose parents live within County Durham's administrative area. Only when all children living within the boundary of County Durham have been allocated a place, may a child living in a neighbouring area be offered a place.
